***** FOR IMMEDIATE RELEASE *****

We are thrilled to announce an exciting new chapter at Flint River Academy: the launch of a bold **Capital Improvement Fund Campaign – "*Building Brighter Futures Together",*** with a goal of raising **$450,000.** Our Board of Trustees has already shown tremendous commitment to this project by securing **$200,000** toward this vision!

This campaign will bring to life several transformative projects that will greatly enhance student safety, comfort, and school spirit:

Renovated Bathrooms — High School, Preschool, and Cafeteria
Modernizing these essential spaces to create safe, inviting, and up-to-date facilities that our students—from our youngest learners through high school—will enjoy and benefit from every single day.

Wider Driveway — Improving Pick-Up and Drop-Off Procedures
Expanding the current driveway to make daily arrivals and dismissals smoother and safer, significantly reducing congestion and building directly on our recent traffic safety improvements for the benefit of every family.

New Home-Side Bleachers — Football Stadium
Installing new bleachers on the home side of the stadium to create a more comfortable and spirited home-field experience, boosting school pride for our athletes, families, and the entire community.

Construction on these exciting projects is already underway, with completion expected in the coming months. Once finished, we will advance additional capital improvements, continuing to improve our campus and create an even better environment for teaching, learning, and student success.

Your partnership is vital to bringing this vision to life. We invite every family to join our Board of Trustees and the entire school community to support this exciting campaign. Together, we can create safer, more inspiring spaces where every student can thrive and feel proud to be part of Flint River Academy!

As a 501-3(c), all contributions to the Capital Improvement Fund are tax deductible. If you have questions or would like to discuss how you can be part of this exciting initiative, please contact me directly. You can also make contributions by clicking this link - https://buy.stripe.com/7sYbJ23dt9DQ7Eqajj6Na02

Thank you for believing in Flint River Academy and for helping us in ***Building Brighter Futures Together*** for our students. Your partnership and generosity make all the difference—today and for generations to come!

With sincere gratitude,

Alton White
